Those students who, for any reason (i.e. flight arrival) need their accommodation to be available before or after the above mentioned dates will be charged for any extra days needed (max. 3 days). - Students should be aware that they may appear in Enforex's promotional materials or photos.
- The published offers cannot be accumulated. All offers are subject to availability. There will be no changes made to bookings that have been received prior to the promotion. All offers and promotions will be applied at the time of the booking. Discounts that became available after the first enrollment are not valid.
- In the exceptional case that only 1 or 2 students are enrolled in a course in the same level group, the school reserves the right to change a group course into One to One tuition. If this happens there will be a reduction of class hours of 50%.
- Any complaints need to be given in writing and within the first 24 hours.

Otherwise students will lose the right to any compensation, refund or changes. Enforex will accept any suggestions or requests only on an information level and to improve our services.

ACCOMMODATION:

- For registrations received a week or less prior to the beginning of a course, Enforex does not guarantee the type of accommodation desired and requested by the student due to the fact that priority is given to those students who have registered further in advance.

- When a student enrolled in a Spanish course requires accommodation for a family member or friend, Enforex does not guarantee said accommodation due to the fact that other Enforex students have priority regarding the accommodation.
- If a student decides that he/she wants to postpone or take a break from any program for unjustified personal reasons, he/she will lose any right to a monetary refund, and the course will not be made up.

AIRPORT PICK-UP SERVICES:

- The flight information (place, date, hour and flight number) must be confirmed in writing at least one week prior to arrival. Otherwise, Enforex will not be held responsible for picking up the student at the airport and there will be no refund.

Useful information

VISAS FOR SPAIN:

- Citizens of countries belonging to the European Union do not need a Visa to enter Spain.
- Students coming from other countries should obtain information regarding the requirements for obtaining a **Visado (Visa)** at their nearest Spanish Embassy or Consulate. The certificates that accredited and confirm the enrolment in a Spanish program at Enforex can only be signed, sealed and sent by people authorized by Enforex, who will not be held responsible for rejected Visa applications due to the fact that these documents do not have any official power and merely

serve as confirmation of a course in one of our centres. Such documents will only be sent to cover the amount of course time initially contracted by the student. Enforex will send out, free of charge and to any student who asks for them, the following documents (if and only if the total cost of the program has been paid):

- Confirmation of the Spanish program chosen by the student.
- Invoice for the total cost of the program in question (course + accommodation).
- In the event that the student should urgently need the originals of any of these documents, Enforex will send them and

charge the cost of the express mail to the student (110 €).

- If student visa is rejected Enforex will charge the student 100 € per invitation letter sent, the 250 € deposit and any additional basic costs. The student will be obliged to show Enforex the original formal proof of the rejected visa in order to receive the refund. If this copy is not received by Enforex, 100% of the cost of the program will be charged.
- Any refund from Enforex will have a 10% charge.

OPTIONAL INSURANCE:

- Students are not covered for any illness-

es, accidents, loss of personal property (neither at their accommodation nor in or out of the classroom). Enforex recommends the use of an optional insurance, which is available to all students who wish to contract it.

AGREEMENT:

- Upon signing the registration form or paying the course fees, the student accepts all the conditions described above. If, under any circumstances uncontrollable by Enforex, the prices of accommodation go up, Enforex will notify the student ahead of time of said changes. This price list replaces the previously

existing one and is valid from 1st January 2013 until 31st December 2013 for all programs taking place between these two dates. Enforex is not responsible for typographical errors and/or misprints contained in this brochure.
